To: Competition Commission,

(Remark: Representations on Case EC/03AY)

DP World welcomes the work undertaken by the Commission to recognize the importance of maintaining reciprocal overflow arrangements with DP World CT3 as an important protection of competition within Kwai Tsing.

We also propose acceptance of the Parties' proposed commitment item (d) to maintain reciprocal overflow arrangements with DP World on terms that are no less favourable to it than as at 1 April 2019 (subject to indexation).
