

Competition Commission TV API Subtitles

“Combat market sharing cartels”

- Voice-over: In the business world, it's all about beating the competition
Come and have a look. Our price is lower!
- Voice-over: My products are better quality!
- Voice-over: We have a special offer!
- Voice-over: Why do we fight so hard for business?
- Voice-over: Let's collude and carve up the market
- Voice-over: You won't approach my customers
- Voice-over: And I won't do business with your customers
- Voice-over: We can do whatever we want when our customers have no other choices
- Voice-over: Market sharing is serious anti-competitive conduct
The Competition Commission will combat it
to safeguard a level playing field
